

## Letter from Carlos, IMIC Colombia

Hello Dear Sharon and the Church in the Costa Brava,

I have received your mail with great joy. It gives me happiness to hear your news, a lovely family who were very kind to me, and to hear the news of the church who have been very generous and a great comfort to me.

I am well. Thanks to God, I, and all our team, feel very encouraged in the work that we do. I'm glad that our newsletter comes to you and knowing that you receive the news from England is also very good. We are happy to help you as much as possible.

I congratulate you now on having the new priest. Please, send many greetings to her from us. We are very grateful for your decision to continue supporting IMIC in Colombia and also thank you for your prayers.

Greetings from our team. I read your email to them and we give thanks for your church. We pray for you all and your good heart.

Greetings to your husband your daughters and greetings to your church.

Many blessings,

CARLOS FORERO
